## MEANDERING BLACKWORK

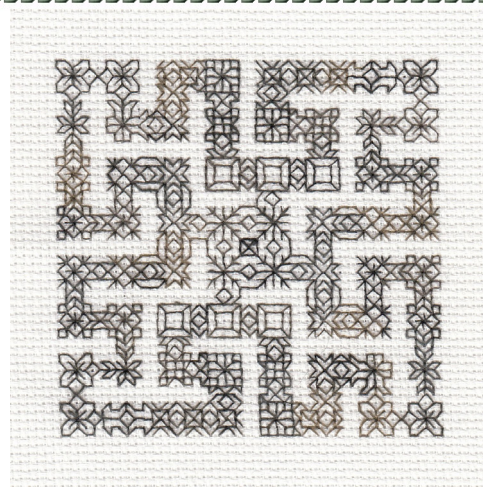

### FREEBIE DESIGN FROM STITCHIN'SPIRATION

Meander along this blackwork labyrinth and simply enjoy. Start out either in the center, or anywhere along the paths. They all tie together, and you'll end up right where you started. Just enjoy the journey of this piece!

Blackwork is historically done in black thread. But in today's world where we have the full range of colors, as well as the hand-dyed and variegated threads, there are countless possibilities for your project.

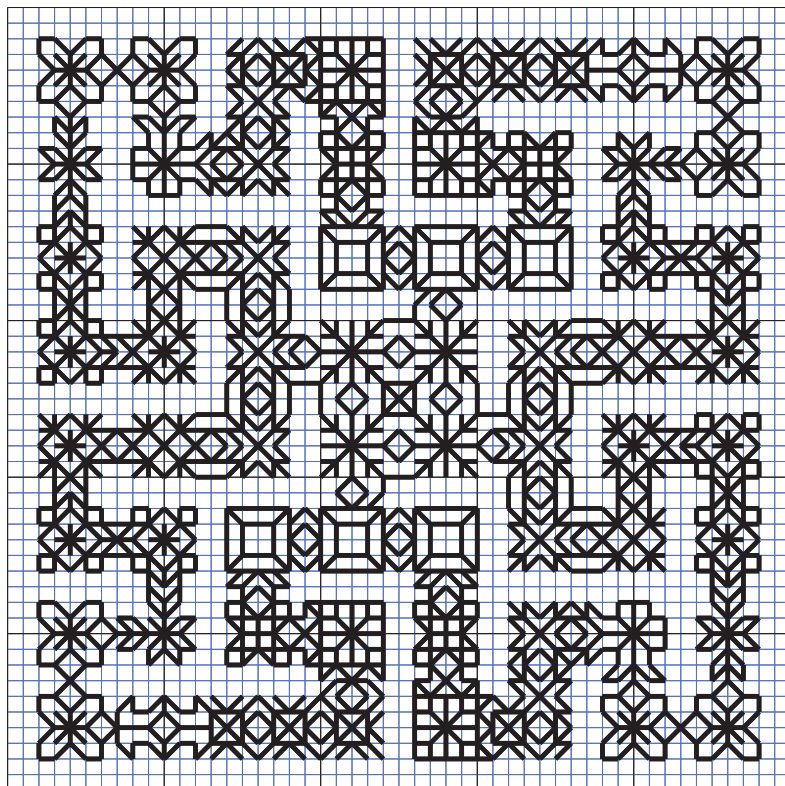

Do your blackwork piece in all 1 thread, or use multiple colors for the various parts of it - that's your own choice! Customize it with color as you wish. Play with variegated thread, following along the paths, and see how the color flows.

Most importantly—just play with your fabric and thread, and enjoy the journey!

This model stitched using Valdani Hand-Overdyed 6-Strand Cotton Floss, in #P11 Aged Black. (Stitched using 1 strand.)

Fabric is Aida White (14 count).

This model stitched using Threadnuts Painter's Threads 6-strand cotton floss, in Macke. (Stitched using 1 strand.)

Fabric is Wicht Aida Chalk Board Black (14 count)
