Bird Ornaments

Bird Ornaments are stitched on Linen~Country French in color Café Mocha in 28 count. The item number is #86-252. The cross stitches are done with 2 strands over 2. Backstitching is done as follows: the outside edge of the bird, wing and thread are done with 1-strand of DMC Black, #310. The eye of the bird is a French Knot using 1-strand of black also. The backstitching accents inside the tail, inside the wing and the decorative stitches around the inside of the bird are done with 2-strands of the specified color. The French Knots inside the wing are done with 2-strand of DMC #321- red. I wrapped the needle 2 times for the knots. Please see the following page for the specific colors used for each bird.

Buttons were attached with DMC Black, #310. Button #86246 Very Small Star in Speckled Gold and #86243 Very Small Star in Red.

Bird Ornaments
